Luis –

I would appreciate any assistance you can provide in this regard. It is really a big issue for me. We desperately need that parking. I am not sure why it was all painted red all of a sudden. We need 2-hour parking here for our customers. Thank you in advance for your help with this.

Subject: Parking Westmoreland

Hi Luis,  
I just want to follow up on our previous conversation re: street parking outside of Marc Tavakoli's property on the N/E side of Westmoreland. As of now it has been designated a no-parking red zone but ideally it would be a limited parking area to prevent construction workers from using the space once construction begins on the new property. Please let us know if there is any way to change this.  
Thank you very much,
